If you have any questions – the GoodLeap team is here for you:

- Design Team (designteam@goodleap.com): for assistance with production validation (System Production Pre-Check or System Production Validation cases in Origin)
- CFA Team (applications@goodleap.com): for assistance with any document submittals (pre-NTP cases, Installation Photos, Installation Complete, PTO Review, System Activation Validation)
- Monitoring (monitoring@goodleap.com): email to add within the Inverter portal to grant GoodLeap access to the system (steps vary by manufacturer)
